In this Christmas Special, we revisit our most favourite and memorable spots from 2008. This is a snapshot of the best, starting with the New South Wales north coast and our drive up the Pacific Highway. The days of yesterday come to life in West Rocks as truly unforgettable. The scenery in the tropical north and beautiful waterfalls are also rediscovered. We look back at Western Australia and Merry Christmas.

the famous wine region of Margaret River, and no-one could forget Bert Bolter's world-famous barometer. South Australia's Yorke Peninsula, Taste are all part of the fun. Of course, a 'Best of' would not be complete without including the 12 Apostles along the Great Ocean Road. On top of all this, there is so much more, so relax, enjoy, and have a very Merry Christmas.
