TOURISM TASMANIA AND JOHN DE LA ROCHE

\$19.95 incl GST
 NZ\$20.95 incl GST

On this trip, we're heading back to Tassie. From beautiful scenery, loads of fun attractions and endless history lessons, this is an all-around whopper of a journey. Hobart, and the area surrounding it, looks and feels completely different than its northern counterpart, which gives you a great excuse to come check it out!

Hobart is a neat mix of modern living and historical charm. In town, we visit the Cascade Brewery, Salamanca Markets, Female Factory, and Penitentiary Chapel Historic Site.

From the city, we head out on three different touring routes. In this DVD, we journey south on the Huon Trail, passing through the towns of Huonville, Geeveston and Southport. We stop in at the Tahune Air Walk, take a tour through Hasting Cave, and visit an Apple Museum! At the end of the Huon Trail - we reach the southern tip of Australia - a completely remote dot on the map. Only the sea separates us between this point and Antarctica!

In our upcoming trip to TAS, we travel west along the River Run and then east on the Convict Trail. Each of these touring routes has its own unique blend of stunning coastline, white beaches, rolling hills, and dense forest. This is a trail of discovery not to be missed.
