Life doesn't get much better than travelling around Australia taste-testing some of the finest wines this country has to offer.

On this trip, we head north out of Adelaide to discover the beauty, romanticism, and wine of the Barossa and Clare Valley.

We visit several wineries, including the world-renowned Jacob's Creek. Our days are capped off relaxing in the lush green countryside that epitomises this region. In Clare Valley, we explore Kapunda, Australia's oldest mining town. We also tour Sevenhill Cellars, makers of sacramental wine. Continuing north towards the outback, the magical Flinders Ranges come into view. We discover this iconic natural landscape on a camel safari with Pichi! Pichi! Camel Farm.

Our last stop is Port Augusta, the gateway to Australia with roads heading out in every direction. If you're interested in touring South Australia's north and beyond, or just want to sip on a fantastic glass of chardonnay, this trip is for you!
