Join us as we tour through the Midwestern region of New South Wales. It's a magical region steeped in the early history of Australia. Along the way we'll visit some fabulous heritage-listed villages, see some amazing historical and contemporary collections and museums, and enjoy some wonderful natural attractions. We'll sample some of the region's award-winning wines and cheeses, meet a few colourful characters and try our hand at a bit of gold fossicking. Our journey will take us from Bathurst north to Sofala and Hill End, then across to Mudgee and Gulgong. We'll then head west before returning to Bathurst via the historical villages of Carcoar, Neville and Millthorpe. This really is a fascinating region that you'll love to visit.
