Come along with the C&M crew as we journey through Capricorn Country in Queensland, it's one of Australia's booming areas smack on the Tropic of Capricorn. Along the way we'll see some fabulous natural scenery both above and below ground, check out some interesting museums and take a mine tour or two. We'll also try our hand at fossicking for gemstones and thunder eggs, attempt to catch a barramundi and cuddle some native animals. Our journey will then take us from Rockhampton heading west through Blackwater to Emerald, Sapphire and Rubyvale, south through Springsure to the fabulous Carnarvon Gorge, then we'll return east through Biloela and Mount Morgan back to Rockhampton.
